

**BOROUGH OF ISLAND HEIGHTS  
REORGANIZATION MEETING AGENDA  
January 2, 2019  
7:00 P.M.**

Councilman Sean Asay welcomed everyone to the Reorganization Meeting and opened the meeting by reading the State of Public Notice of compliance with the Open Public Meetings Act.

The Reorganization Meeting of the Mayor and Council of the Borough of Island Heights is hereby called to order. Notice of this meeting is in accordance with the OPEN PUBLIC MEETINGS ACT P.L. 1975, Chapter 231 (Section 10:4-10). Notice of the meeting was advertised in the Asbury Park Press on December 27, 2018 and was also posted on the bulletin board in the Municipal Building.

Councilman Asay asked that Mayor-Elect Steve Doyle step forward and take the Oath of Office; read by the Borough Clerk, Joseph KostECKi.

Mayor Doyle provided the Oath of Office to Ms. Susan Thompson, and subsequently, Mr. Rolf Weber.

Mayor Doyle stated that he is delighted to work with the people on this dais, and the residents of Island Heights. Mayor wanted to go over a few things the new administration will be focusing on. This is a very special town, as you well know, as you live here too. Some people can't leave, and some will continue to live here as long as the good Lord lets us. Key matters to handle in the New Year remain the water infrastructure, public safety; Fire, First Aid, and emergency response team are of paramount concern. Our Fire Department needs a new building, and we're going to find a way to make sure they get all the equipment they need. We will focus on parks and public places; we have some beautiful places in town, long point, memorial field. We need to make sure people can enjoy them. We are speaking with folks about the courts, and we need help. There are boards that need to be replaced on the boardwalk, and hope to have help there. We need to support our businesses; some are growing and some are not. There are several great events and parades for the children, and we will continue to support great organizations such as the PETO Museum and local Yacht club, Artist's Guild. We will also work to address eyesores, and work with our school boards; both at Island Heights and Central Regional. I'm a product of both, and Central Regional has really become a success; they've helped my life and help our town. Our recreation facilities need to have usable facilities. He ended by stating he looks forward to working with all of the employees, governing body members and listening to residents to get all of this accomplished.

There was a moment of silence for Shirley Gabriel; she was a resident of Island Heights.

Mayor opened Public Comment

Member Thompson spoke on capital projects for the second bond, providing the residents with a verbal of streets included for improvement.

Member Snow stated that Island Heights is at the Bronze level for Sustainable Jersey, and 2019-47 is for the Silver level. The Borough anticipates the hydration station to be funded by the grant.

Jim Jablonski, 227 Ocean Ave, asked of the cleaning company's frequency in relation to the purchase order

Council President Asay stated there is an initial cleaning and then monthly.

Doug Platt, 118 Summit, confirmed with Council over the type of netting that will be used at the tennis court.

Mayor Doyle stated that the Cultural and Heritage was able to replenish its funds and will have some more events forthcoming. This is a great organization, and they plan to provide benches along the river for people to enjoy the waterfront. Also, the County will be assisting with River Avenue.

Member Gabriel stated there was a pre-construction meeting for Sassafras, Maple and Jaynes Avenue, with construction anticipated to start around April and will be complete by summer.

Member Snow stated the Goodwill bin at the Recycling Center will be gone soon, but is working for alternatives. She further reminded residents to not leave plastic bags or any contaminants in recycling; and to close your trash lids.

Member Thompson stated that residents can utilize the Borough website for online payments.

Member Weber informed residents of pending Courtroom improvements, in addition to informing residents of a productive First Aid Squad meeting.

**DISCUSSION & PRIVILEGE OF THE FLOOR**

Barbara Parisi thanked and recognized Officer Anthony and the Fire Department for saving her life. She stated they were quick.

Mayor Doyle stated she was trapped in the Elementary School Elevator.

John Bendel, Summit Avenue, stated his pleasure with the way in which meetings are now held, and confirmed a procedural question. He requested one additional public comment prior to the final roll call.

Mayor Doyle stated that was a great idea, and that we will do that.

Council President ASay stated the ordinance was to increase a review fee from \$50 to \$100. The second was regarding the Property Maintenance Code to update from 2006. Our reference point will be to adopt a 2018 Code, if adopted.

Linda Grinfield, 2 Lake Avenue requested robo cans.

Mayor Doyle stated the Borough is looking into it. The

Linda Grinfield, 2 Lake Avenue. Stated multiple matters regarding minutes and confirmed with the Mayor, the organizational chart.

Jim Jablonski, 227 Ocean Ave, requested plastic bag collectors at Public Works, and stated the new Goodwill bin should be turned since it looks like the entrance side is on the backside. Mr. Jablonski also proposed an idea on copiers to save money.

Council Member Snow stated she and the Council are always looking for alternative recycling programs and will look into this. She further stated that this is the new E Waste container and she will go look at the container.

Mayor Doyle thanked Mr. Jablonski for his ideas and that he was knowledgeable of this topic from the corporate world.

The Municipal Clerk stated the current contract is on state contract and saves money in bulk.

Bob McNeil, 237 Ocean Avenue. Mr. McNeil stated his pleasure of the new Code reports - hats off to him. He then stated there is running water down a curb along Long Point.

Council Member Snow and Asay stated they are looking it this. They checked this out; there is no leak and that it is ground water. They are looking into the flow of the water.

He asked if the Bond ordinance was approved and if the money can be used. The expectation is to do the job in-house except for the paint, which will be contracted out. The first step is demolition, and clean up. Mr. McNeil further stated there are spots on the Schools five year plan committee and stated people should call the Secretary at the school.

Mayor Doyle asked if there were any further comments? Seeing none, he asked for a motion to close Public Comments. 1st: Gabriel 2nd: Snow, and full Governing Body consent.

### **GOVERNING BODY REPORTS**

**WUDZSKI:** Stated she will be involved in the school meetings, and March 21st is the first meeting. I've been involved with the school the last 9 years and stated it was wasn't done with the community before. This was a great committee to get the community involved in the long term aspects of the school. Many of the schools are seeing reduced funding, and the Island Heights school is seeing a minimal reduction. 1.24%. A minimal lose on State funding. Lastly, the school is having their S.T.E.A.M fair on March 28th, and is a great opportunity for youths to received volunteer hours.

**WEBER:** no report

**THOMPSON:** formally recognized Gary Stocco as the Code Enforcement Officer. She stated he is doing a great job, the communication with Mayor and Council members is excellent, it is delicate work, and it is appreciated. Secondly, negotiations proceed with the Postal Service contract. There is brokerage for negotiations, which are close to completion. It is a five year contract through 2024, and the price is driven on the commercial real estate market. They've agreed to an annual increase of 11.3%, and options for 2, 5 year renewals. Each renewal brings 5% increase. Then they typically offload their brokerage to the lease holder. They waived the commission, which was a \$10,000 savings to the town.

**MAYOR DOYLE:** Mayor Doyle commended Ms. Thompson on her work. He stated that April 2nd will be a regular meeting, and one in which the Borough will be introducing the budget. We have a very aggressive repair schedule in town for the next two years. Just about every building needs significant repair. We have some grants for our boardwalk, cleaning our water tower. We passed several items today on water infrastructure. The first item everyone needs to have is clean and proper drinking water.

**ASAY:** I was privileged to attend our new officer's Graduation Ceremony which was great. He confirmed its been 15 years since an officer in Island Heights graduated the Police Academy, and it was a great thing to see. As Spring breaks out, he asks residents have patience as repairs in town take place.

**GABRIEL:** Water infrastructure projects hope to start in April and be complete by summer. He hopes inconvenience will be minimal. The Borough lost a part-time employee in the Public Works garage. We hope to address this by the next meeting. There is a laundry list of things to do in the Borough. Public Works is doing a great job with the limited staff they have.

**SNOW:** Working with a limited staff at DPW, we have an agreement with the county to pick up our bins and take them to the County facility for processing. Council Member further encouraged everyone to attend the S.T.E.A.M fair, which is helpful for recycling information. Additionally, the website is on track to be up and running for everyone to use.

Mayor Doyle mentioned that Recreation Badges are available for purchase to use borough facilities, fields, parks, and public access space. They are \$20. If you go every week, it is .40 cents. We ask our police officers and Code Officer to enforce the rules of the town.

Mayor Doyle stated that there are some items to discuss, although the vote was postponed at the State level one is the possibility of having marijuana dispensaries in our business district which would include Route 37 through Central Avenue. If this is something we want to have in town as the law is currently in draft form the town would get 5% of all sales. That is the financial benefit, for the open retail of marijuana and would like to gauge the feel of the town with an open discussion of it. Ms. Thompson asked if anyone knows if there would be a carved out area around schools where a distribution center could not be placed. Ms.

Thompson said there are some social services that cannot be around a school and that is a concern that she has. Mayor Doyle stated that is a good question and the business district which includes the old gas station is within certain proximity to the school. Ms. Pendleton, 249 Ocean Ave. asked if this was for medicinal purposes. Mayor Doyle said no for recreation purposes. Ms. Pendleton said she thought the vote was knocked down. Mayor Doyle said no it was postponed and one thing the town has to do is to opt in or out on having retail. Mayor Doyle further stated that Toms River has opted out and they will have to opt out again if it passes and we would have to do the same or stay in if we want to have this in our town. Mr. Gabriel said he is not in favor of this in our town. Mary Ward, 178 Ocean Ave. had a question on the decriminalization of it rather than the sale of the bill. Mayor Doyle stated that this is part of the bill but we have not heard the final bill yet. Jim Jablonski, 227 Ocean Ave. stated that he is not in favor of this in our town. Mayor Doyle said that he is opposed to this and the issues that could accompany this for our Police Dept.

Mayor Doyle closed the discussion on this item.

### **GOVERNING BODY REPORTS**

**WUDZSKI:** Stated that the Island Heights Grade School will be having their budget hearing on May 6<sup>th</sup> at 5:30pm and Central Regional will have their budget hearing on May 2 at 7pm. Both budgets were approved by the respective boards and are waiting for County Approval. There is a fundraiser for Michael Tsucalas for a bench to be placed in his memory at the playground at the school. If anyone is interested in donating checks should be made payable to the IH Student Activity Fund and can be mailed to PO Box 329. If you have any questions you can contact Lillian Brendel at (732)929-1211. The dedication ceremony is planned for early in June and more details will follow as the date gets closer.

The IHGS Newsletter states that there are long term strategic planning meetings being held and the first of three was March 21<sup>st</sup> which had a good turnout of 33 people which included staff members, herself, Mayor Doyle, parents and general public who don't have children in the school; this is important because sometimes there is a disconnect between the school and people who do not have children in the school. The goal is to get the public opinion on the strengths and weaknesses in the school and to use those to come up with a 3-5 year strategy for the school. Coming out of the referendum she was happy to see this plan because that was a little problem before that the school did not have a long term plan. A couple of things that we learned at this meeting were that the school in the Asbury Park Press for Ocean County Grade Schools they were rated #2 which is impressive considering we have some of the lowest paid teachers in the County and impressive what our teachers have accomplished. They have worked really hard to have Shared Services Agreements in the areas of the Child Study Team, Art, Gym and facility management. Further information is that 17% of the student population has IEP's who may have special needs and this is where a lot of the expense is in the education stand point. The school is also facing the same challenges of health care benefits and in three years the costs have raised by \$100,000 which will be a big factor in the upcoming budget.

Mr. Gabriel asked if we know the numbers for tax increase from the schools. Ms. Wudzki replied that she spoke to Ms. Brendel regarding this and since it has not gone to public hearing yet she wasn't sure what she could and could not release at this time. Mayor Doyle said that the referendum that was passed a few years back this will be the first year it will be on the tax bills. Ms. Wudzki said we get a lot of money for Choice Students, all 14 seats are full and there is a waiting list at this time of 8 students. The school gets more money for Choice Students than it did for tuition students.

**WEBER:** Apologized for being late and wanted to congratulate Sophia Church for her outstanding accomplishment in reaching the Gold Star in Girl Scouts.

**THOMPSON:** In regards to the Post Office Lease that we authorized today to renew we have a 5 year period until 2024 and two renewal periods that could take us until 2034. It is great that our town continues to have the presence of the Post Office. Ms. Thompson wanted to congratulate the three new employees as our staff really drives the work here and we value our employees and appreciate all that they do.

**MAYOR DOYLE:** Mayor Doyle stated that April 2nd will be a regular meeting, and one in which the Borough will be introducing the budget.

**GABRIEL:** Progress.

**ASAY:** The new Borough website is just about at the finish line. We will have a soft run in the beginning and one day you may be directed to the new website. We do not want to have a tremendous amount of traffic in the beginning; it is more modern and looks like a real website. The ability to pay taxes and water/sewer will be on there as well as the ability to sign up for the Reverse 911. Mr. Asay stated he was trained this past week and that they were able to get the feature for free to be able to email/text those that have signed up any non-emergency information such as events in town. The sign up is through the web and you must check the box for text messages and complete the email portion to receive this type of information. Mr. Asay also asked residents to report any issue with street lighting or any other lighting issues either to the Police, himself or to JCPL via the web or APP that they have available.

Mr. Asay also wanted to recognize and thank Kempton Flags for the new Borough Flag here in the meeting room which they donated to the Borough.

### **PRIVILEGE OF THE FLOOR**

Linda Grinfelds – 2 Lake Ave. – Asked for clarification if the meetings in April on the 9<sup>th</sup> and 23<sup>rd</sup> were canceled. Mayor Doyle said yes the only meeting in April is on the 2<sup>nd</sup>.

Lynn Pendleton – 249 Ocean Ave. – Asked for more patrols in the area at the end of Ocean Ave. as there are fishermen out late at night and the noise from the radios/cars is quite loud.

Leslie Stewart – 229 Ocean Ave. – Asked if the budget that is being introduced next month will any of the recreation money be designated towards the Pickle Ball Court? Mr. Gabriel said that has been allocated and is already in the budget. Mayor Doyle said that this was already passed a \$30,000 allocation from the Capital Account; in other words the towns saving account was passed to renovate. It is to fix fences, renovate the pickle ball court or develop a pickle ball court per the description and design the pickle ball spokesman, Mr. Hummel that came to the meetings and met with Mr. Gabriel to go over how to do it. It is also to resurface the tennis courts. Ms. Stewart repeated the information since she is going to be reporting back that she gets the information correct. Mr. Gabriel said it is for tennis court repairs and multiple pickle ball courts. Ms. Stewart asked if the pickle ball courts would be in the tennis courts and Mr. Gabriel said that has not yet been determined but they will have their pickle ball courts.

John Pendleton – 249 Ocean Ave. – Do you have a time frame for the completion of the Pickle Ball Courts. Mr. Gabriel said that once we can ramp up our DPW staff with a couple more part time employees than more projects can get underway. Mr. Gabriel said we are very short staffed but we are hoping before summer. Mr. Asay said that the labor except for the painting of the courts will be done by DPW because otherwise we cannot afford to do it. Mr. Asay said you are talking about a demolition where all that old fencing is going to come down and be recycled and then to get new barriers around it; get the court smoothed out and repaired and to blow out all the dirt that is in the cracks. Mr. Asay said we need decent weather with sunshine to dry new asphalt, get the new barriers up and check the lighting. Mr. Gabriel said he does not want to be held to a time but we would like to see it done by Memorial Day.

Lynn Pendleton – 249 Ocean Ave. – Suggested getting some of the people who play to volunteer and help with some of the work as was done at the Camp Meeting Ground Gardens. Mr. Gabriel said he would have to speak to Mr. Brodbeck at DPW about volunteers doing some of the work. Mr. Asay said that there is another resident who is applying to AARP for money to help with the restoration of the pickle ball courts.

Tara Church – 156 West End Ave. – qualified for Silver from Sustainable NJ in December and has the plaque with the new engraving on it. Mayor Doyle congratulated the Green Team and Environmental Committee for achieving this award.

Mayor Doyle stated that the Borough is being considered for a very special grant compacting machines, for robo cans and a water fountain at Memorial Field so those people using the field there can get a drink of water.

Motion to close privilege of the floor was made by Mr. Gabriel second by Mr. Weber.  
Unanimous Voice Vote.

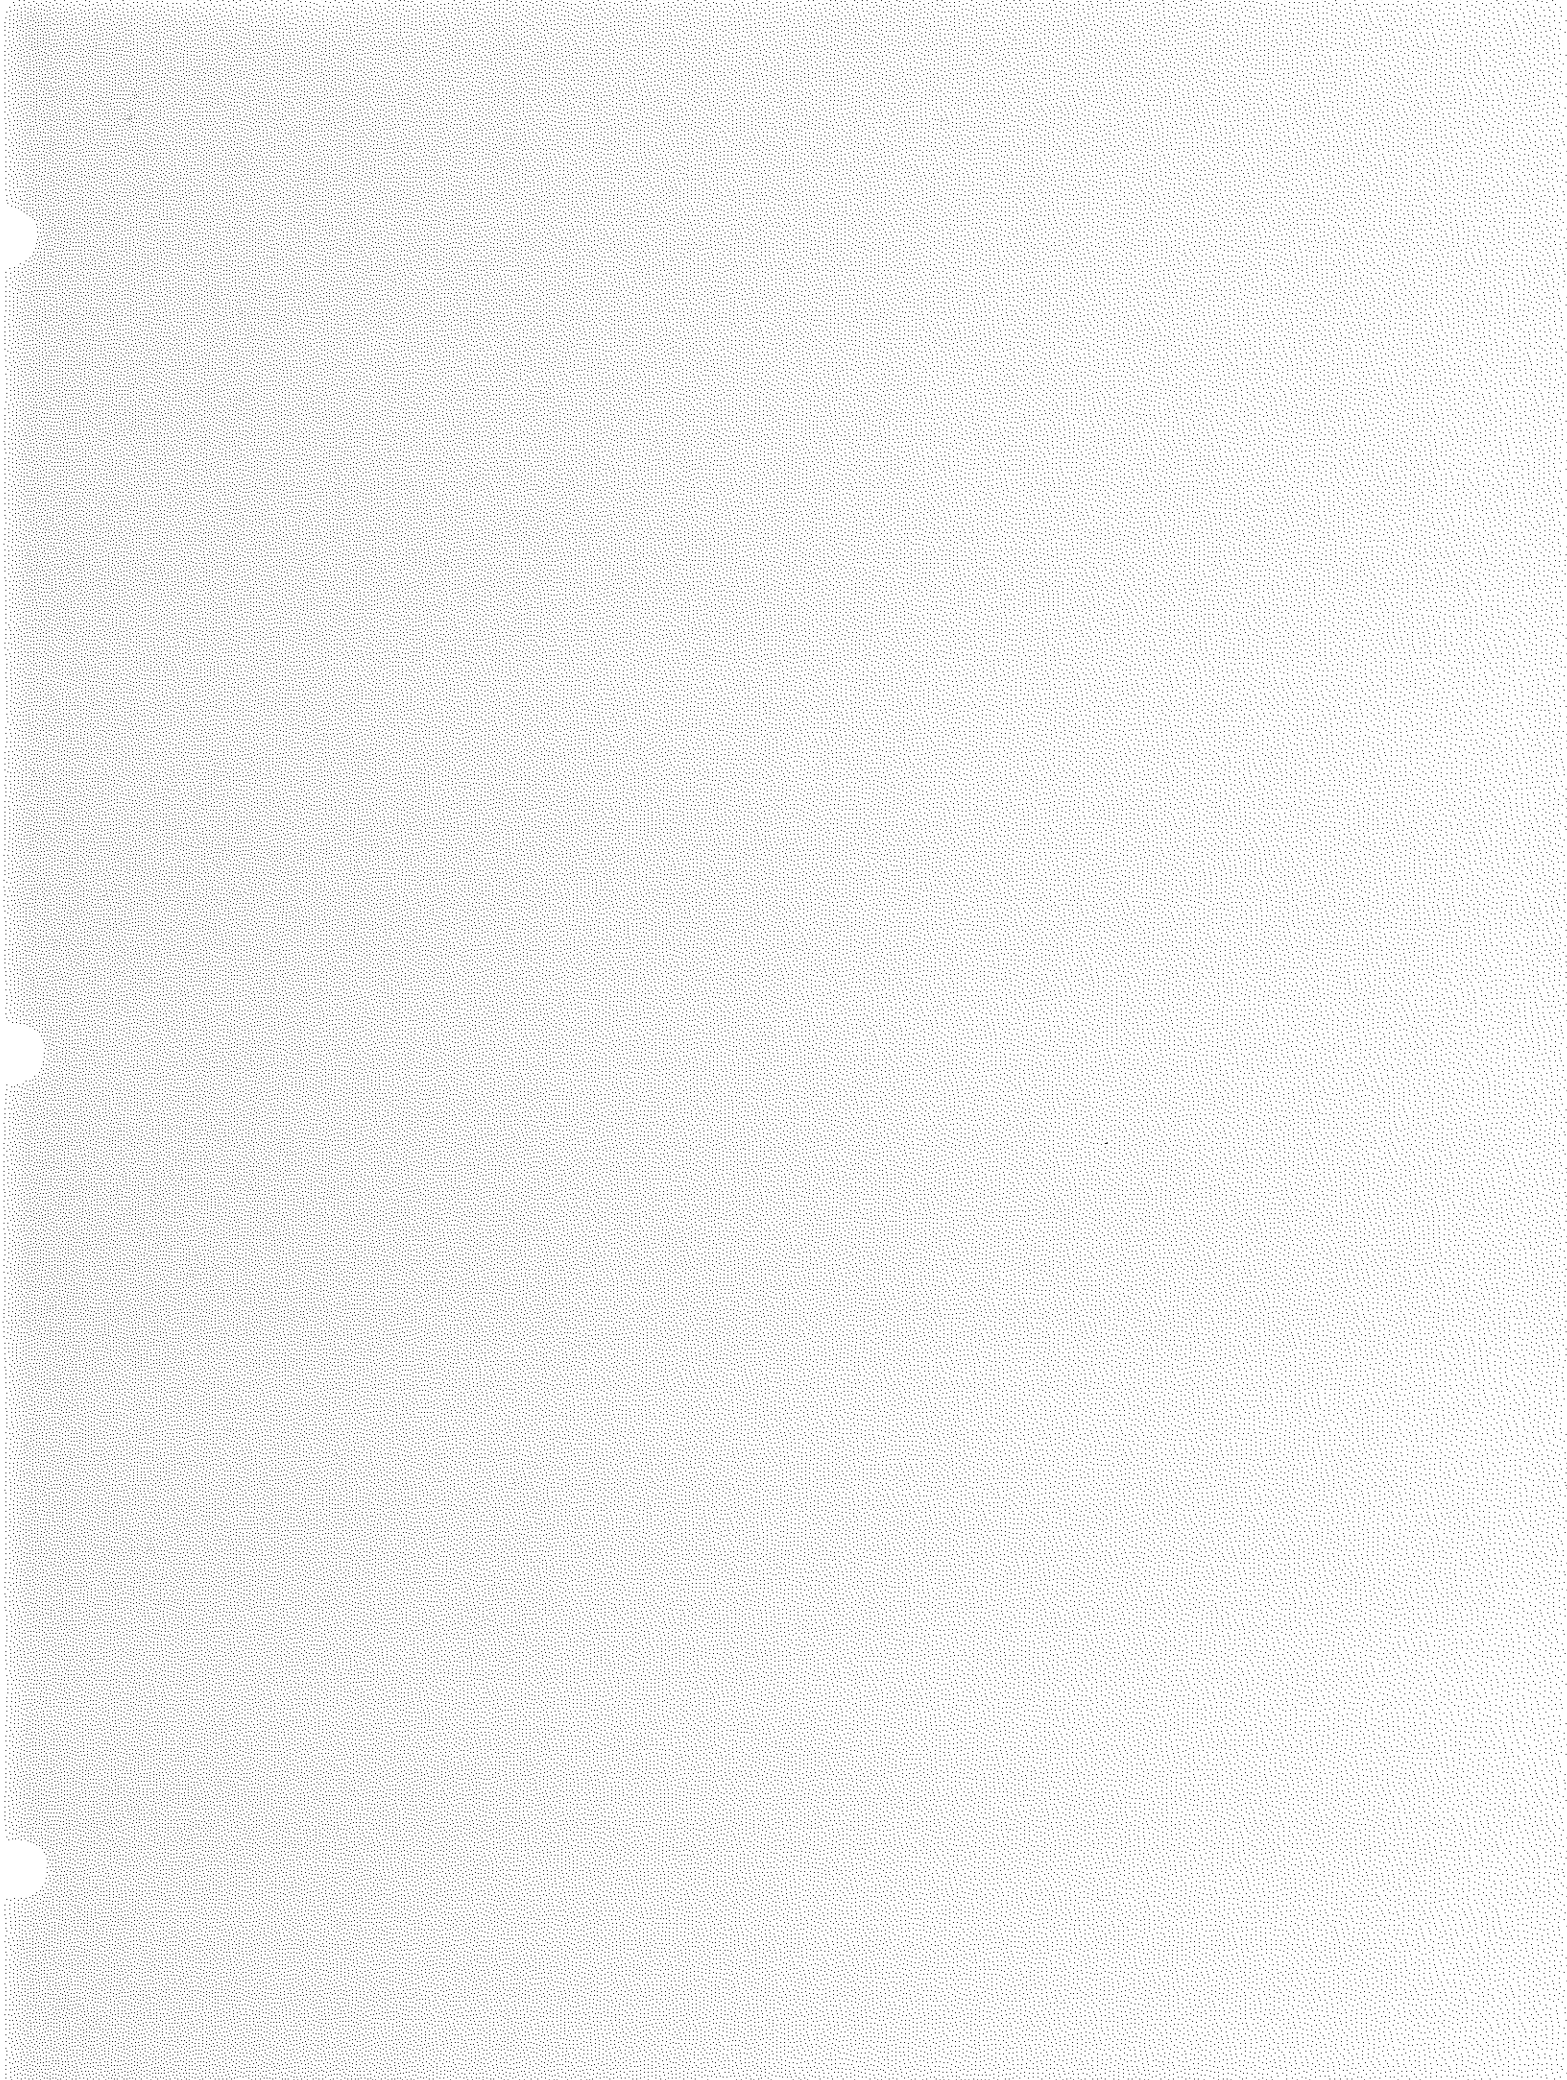

Motion to adjourn the meeting was made by Mr. Weber second by Ms. Wudzki. Roll Call was taken and everyone was in favor.

### National Library Week 2019 Proclamation

**WHEREAS**, libraries are not just about what we have for people, but what we do for and with people;

**WHEREAS**, libraries have long served as trusted and treasured institutions, and library workers and librarians fuel efforts to better their communities, campuses and schools;

**WHEREAS**, librarians are organizers and information experts who for centuries have guided people to the best information resources. Librarians provide more than facts. They provide the expertise and services that add meaning to those facts;

**WHEREAS**, librarians continue to fulfill their role in leveling the playing field for all who seek information and access to technologies, especially as our society is at a critical juncture regarding the changing information landscape and the skills needed to thrive in our digital world.

**WHEREAS**, libraries and librarians are looking beyond their traditional roles and providing more opportunities for community engagement and delivering new services that connect closely with patrons' needs;

**WHEREAS**, libraries and librarians open a world of possibilities through innovative STEAM programing, Makerspaces, job-seeking resources and the power of reading;

**WHEREAS**, libraries support democracy and effect social change through their commitment to provide equitable access to information for all library users regardless of race, ethnicity, creed, ability, sexual orientation, gender identity or socio-economic status;

**WHEREAS**, libraries work to serve all community members, including people of color, immigrants, people with disabilities, and the most vulnerable in our communities, offering services and educational resources that transform communities, open minds and promote inclusion and diversity;

**WHEREAS**, libraries, librarians, library workers and supporters across America are celebrating National Library Week.

**NOW, THEREFORE**, be it resolved that I, Steve Doyle, Mayor of the Borough of Island Heights, County of Ocean, State of New Jersey proclaim National Library Week, April 7-13, 2019. I encourage all residents to visit the library this week and explore what's new at your library, and engage with your librarian. Because of you and our experts in the library, Libraries Transform.

Resolution 2019-85 Authorizing the Borough Clerk to Solicit Request For Professional Services for Water/Sewer Rate Study

Mayor Doyle stated he would like to authorize a study to look at our debt and structure to see how our rates compare to other municipal rates.

Council Member Thompson asked the cost of the study.

Mayor Doyle stated that the Borough has a dollar amount in our budget, and expects the cost to be within the allocated amount; only a few thousand dollars.

Before voting, the Mayor opened up the floor for discussion and public comment.

Jim Jablonski-227 Ocean Avenue asked about the condition of the flooring at the Post Office

Council President Asay confirmed he was discussing the carpet at the office desk in the Post Office. Mr. Asay stated there is old flooring breaking away. A new composite floor will be installed down to the subfloor. This is separate from the previously installed flooring, and is built for high traffic.

A representative from the Library provided a positive and enthusiastic update to those in attendance, notifying us of a 26% increase in circulation. New resources also available at the Library are databases, video games, audio books, ebooks, smartphone apps. There is a great update for DIY instructions. They also plan to have new education initiatives and programs for the new year. They recently helped research figures for the fourth grade prior to their trip to the wax museum. Additionally, the library saw an increase in senior program attendance recently as they are starting to change some programs.

Motion to close Public Comment: Asay: 2nd Wudzki, and full Council consent.

**GOVERNING BODY REPORTS**

Mayor Doyle stated the budget has carefully planned projects such as lake, maple, sassafras, courtroom repair, new roofs (including library). Police, pickleball, Simpson Ave bulkheading, bulkhead painting, new cameras for police, new computers and servers, new vests for our police officers - there certainly is no shortage of need in our Borough. Additionally, Toms River Fitness has provided a discount for all first responders in town, and we thank those who help us. The Borough website will be up and running shortly. The First Aid and Fire first draft agreements are out, and the Borough is setting response metrics to ensure

Borough funding. The State DOT is awarding our Borough \$345, 000 in grant funding for roads. Finally, Wendy Prior announced that she will be resigning and retiring at the end of her 31 years of service to the Borough. The Mayor asked for a motion to accept her resignation with regret, and best wishes for a happy retirement.

**Resolution 2019-85B Accepting the Resignation of Wendy Prior**

Motion: Asay: 2nd: Thompson, and full Council consent.

ASAY: Met with Engineer O'Donnell to discuss old grant projects to ensure there's no loss in grant funding, and thanked Ms. Prior for her service.

GABRIEL: will be meeting with Mr. Pendleton and Hummel to finalize plans to move forward. Mr. Gabriel commended the budget committee for getting the budget out on-time.

SNOW: The website is being finalized and almost ready to launch. The Borough is continuing the E-Waste pickup . It is a bright green container at Public Works. Congratulated the school on a great STEAM fair.

THOMPSON: Thanked Ms. Prior for her work and dedication in the borough, and wished her the best in the next chapter of her life. Thanked DPW and Mr. Asay for obtaining doggy waste stations, but requested that people take the waste with them when leaving. Ms. Thompson further thanked Mr. Stocco for his constant communication with the Mayor and Council over code enforcement matters.

WUDZKI: Thanked Ms. Prior for her service and wish her the best in her next chapter. Also added thanks to Mr. Stocco for his code enforcement reports.

**Resolution 2019-86 Authorizing Executive Session for the Purposes of Attorney-Client Privilege.**

## PROCLAMATION:

Mayor Doyle welcomed Patrick Maguire and their family. The Mayor further congratulated Patrick on his efforts as a Mayor's Scholar, and wished him the best in his educational endeavors.

The Municipal Clerk read the following Mayors' Scholar proclamation

**BOROUGH OF  
ISLAND HEIGHTS  
Office of the Mayor  
County of Ocean, State of New Jersey  
Proclamation**

**WHEREAS**, in each high school academic year, and in every high school within Ocean County, as well as each of the Ocean County Vocational Technical Schools, the Ocean County Mayors' Association upon the recommendation of the Ocean County Superintendents' Roundtable selection committee chooses a member of the Senior class of the High School or Vocational Technical School who have distinguished themselves by academic achievement and interest in history, government and community involvement as a *Mayors' Scholar*; and

**WHEREAS**, since its inception in 1994, the Ocean County Mayors' Association Scholarship Award Program has provided over \$697,000 in individual scholarship awards to students worthy of distinction and recognition of their efforts; and

**WHEREAS**, *Patrick Maguire* , the Senior Class President of the Student Body of Donovan Catholic, was selected as worthy of the recognition as a "*Mayors' Scholar*" for the year 2019, and will be awarded a scholarship on May 23, 2019; and

**WHEREAS**, such distinction as "*Mayors' Scholar*" recognizes the personal dedication and effort toward individual educational advancement of Patrick Maguire, and further congratulate and support his path to higher education at George Washington University.

**NOW, THEREFORE**, I, Steve Doyle, Mayor of the Borough of Island Heights, County of Ocean, State of New Jersey by virtue of the authority vested in me as Mayor of the Borough of Island Heights hereby proclaim in celebration, the recognition of Patrick Maguire as a "*Mayors' Scholar*". This significant award is hereby recognized in the Borough of Island Heights and thus, do urge the citizens of the Borough of Island Heights to congratulate James Maguire as well.

Signed this 14th Day of May, 2019

\_\_\_\_\_  
Steve Doyle, Mayor  
Borough of Island Heights

**MAYORAL PROCLAMATION FOR PETO'S 165TH BIRTHDAY**

WHEREAS, The Borough of Island Heights is a dedicated supporter of the arts in our community; and

WHEREAS, John Frederick Peto, born May 21, 1854, is recognized by the art world as an American master of the trompe l'oeil or "fool the eye" school of still-life painting; and

WHEREAS, in 1889, Peto and his new wife moved to Island Heights; and

WHEREAS, Peto designed and built a house at the corner of Cedar and Westray Avenues; and

WHEREAS, in moving to Island Heights, Peto lived a life devoted to family and art, played the cornet for the Island Heights Methodist Camp Meeting and took in seasonal boarders; and

WHEREAS, the work of this significant 19th century American artist can now be found on the walls of major art museums across the country; and

WHEREAS, this day is intended to honor his legacy; and

WHEREAS, this day will enlighten our community's awareness of how the arts contribute to the world.

NOW, THEREFORE, DO I, Mayor Doyle, proclaim JOHN F. PETO DAY in the Borough of Island Heights, New Jersey.

Signed this 14th day of May 2019.

Salley Hodge of 110 Chestnut requested an update regarding the water improvements along Lake Avenue.

Mayor Doyle stated there are two works in progress. Summit to Rt.37, and that is all new piping. Then there is looping taking place, tying into the main, from Main to River. Every street is being looped from Jaynes to Simpson. This will provide better waterflow from the distribution center.

Linda Baxter 34 Highlands End, congratulated Ms. Thompson on her appointment of Council President. She also requested information on the fee to use the Camp Meeting Ground.

Mayor Doyle confirmed the fee is \$200.

Jim Maguire, 118 Chestnut inquired about if the library is the Borough or County.

Mayor Doyle stated the Borough owns the post office, library, main borough building, and public works. Now, the Library is being managed by the County.

Jim Jablonski, asked if the recognition for John Peto will be yearly.

Mayor Doyle stated he would like to see this year, and one day potentially recognized throughout the County and State.

Margaret Laratta, 164 West End Avenue, inquired about the length of time to pay off the balance of the water tower.

Mayor Doyle stated there is debt associated with this, which will extend for about 15 years. Mayor Doyle also confirmed to Ms. Laratta that there is no crabbing or fishing on the boardwalk; you can crab off the docks

Councilmember Thompson stated the gravel area adjacent to bulkhead, you can crab. Where the Boardwalk meets the bulkhead, you can not crab.

Councilmember Snow stated the Borough is trying to keep the pedestrian area clear for people to walk safely.

Mayor Doyle stated between Maple and the Pavilion, you can not crab there. From West End to the end of the Boardwalk, you are allowed to crab on the boardwalk.

Ms. Laratta stated she was confused with the Financial Disclosure Statement and why she must complete the form.

The Borough Clerk stated the FDS is a form that the State mandates volunteers elected officials, and employees complete, who are involved with public funds. There are a few boards that are exempt, however since there are fines issued, I am asking all to complete this form just to be cautious. This is a way to ensure the public trust and root out conflicts of interest. I understand this can be concerning for some people, however it takes only 10 minutes to complete. I have done this for a good majority of people who request help, and are willing to sit with anyone to complete this form, and I can have it done in 5 minutes. The only information needed is your name, employer; no actual financial information is needed.

Councilmember Snow stated she was unsure if it pertains to them on the Commission but understands erring on the side of caution. She also raised concern asking volunteering and having this extra onus on them. Once done, it is quick. It is an additional burden though.

Mayor Doyle stated that you did receive a grant and you will be directing the use of the money, subject to our approval. I pushed back on this too. But anytime being involved in spending public money, they want to know what your background is for any potential fraud. You are authorizing the funds; therefore you are spending the money.

Susan Cowdrick, 229 Summit Ave. stated she is making sure that people are making decisions based on self-interest; that's really all that it is.

Mayor and Council thanked her for her comment.

Mayor Doyle opened the floor for public comment one more time.

Susan Cowdrick, 229 Summit Ave. Island Heights representative for the school system, announced that taxes for Central Regional are going down 1.7 cents per \$100, based on an average home assessed at \$407,000. You can expect a reduction of \$70. She also invited the Mayor, Council and all to attend the June 18th graduation, in addition to any tours. The school implemented many programs over the last few years.

Mayor Doyle thanked Ms. Cowdrick, stated she has been a driving force for many years.

Councilmember Snow stated she had the privilege in touring the building, and it gives you a better understanding of the great job they are doing.

Joyce Kane, 26 River Avenue, requested a second garage sale in September.

Salley Hodge of 110 Chestnut asked about burglaries in the Borough.

Lt. Arnold stated there haven't been any recently. The only recent activity was a civil dispute and the other was an animal control matter in a home.

Resolution 2019-116 Authorizing the Appointment of Jeannette Larrison as Tax Collector for a Yearly Salary of \$6,000

#### GOVERNING BODY REPORTS

Wudzki thanked Susan Cowdrick for her service, and the work completed there has been amazing. The Farmers Market are looking for the first monday in June, and vendors can still sign-up. Some vendors aren't coming back, and some are moving away from the kiosk-type markets. The hours will be 1pm-6pm.

Weber: Thanked Susan Cowdrick. April 7th, the Dept of Corrections helped clean Maple, Garden, West End, and River, and expressed his appreciation for their diligence. May 10th, the County Court visited to review facility improvements. They were impressed with the improvements to date.

Thompson: The Post Office lease is now fully executed for five more years. Our Tax Assessor processed 18 appeals. Mr. Lynch had over 90 conversations, and provided good information to our residents, with over 900 assessed properties. We are working with Ocean County Health Department for a fall Flu clinic, with dates forthcoming. Gave a shout-out to Sean Asay for his work in the Borough during transition of long-term employees. John Peto Day signs are out, and encouraged all to participate.

Snow: The Recycling Center had a big clean-up, utilizing the County to assist with recycling and brush. She reminded everyone to be cognizant of what is being placed in recycling containers. 21 Document shredding from April to September throughout the county. The recent one in Island Heights was great, and thanked Gary Stocco, Sean Asay, and Tanara Hall. Our Green Team is working to team up with a regional hub approach, where they can meet and help each other.

Mayor Doyle: The Borough received a \$2,000 2019 Sustainable Jersey Grant by PSEG Foundation. He further stated that he met with the Green Team, and plans to place a water fountain down at Memorial Field. The Mayor further expressed appreciation to the CFO for her work on the budget. Municipal accounting is very different than your own accounting. Mayor thanked everyone to come out and taking the time. Ann Asay was the matron of the Daughters of the Revolution. The Block House was attacked during the American Revolutionary War, and she was influential in raising the money for the large monuments to recognize this. A moment of silence was held.

Motion to Adjourn: Thompson 2nd: Weber, and full Council consent.

Councilmember Thompson inquired about the Delange resolution.

The Borough Clerk stated this is for the copier.

Mr. Gabriel inquired about the Green Grounds and Maintenance

The policy was provided by the Environmental Committee via a Sustainable Jersey to support green policy. There was a question as to whether it was too restrictive. In review, this is a recommendation and not a mandate.

Mayor Doyle read a few items on the green policy, stating these are activities the Borough is doing today, and further stating this is not a restrictive policy

**DISCUSSION & PRIVILEGE OF THE FLOOR**

NJDEP Proposed Amendments to The Borough Clerk stated the NJDEP proposed amendments to Surface Water Quality Standards: Category One (C1) Waterways. Deferred to the Borough Engineer on the specific amendments and how they affect the Borough; stating these can be brought by the Engineer at that time.

Mayor Doyle stated the Borough received a request to join the New Jersey Coastal Coalition. These affect the shoreline, and we plan to have our Borough Engineer take a look at further.

Armed Forces Fly-In Drive-In (LZ64.org): June 15 at the Miller Airpark, this event will be to support Veterans PTSD.

John Pendleton of 249 Ocean Avenue addressed a concern over the public's misuse of dog waste stations as food waste.

Mayor Doyle stated he would speak with the Public Works. Open trash containers invite unwelcome seagulls, and hope that good people will carry-in and carry-out waste.

Seeing no further comments, Public Comment was closed.

**GOVERNING BODY REPORTS**

Mayor Doyle: The Mayor stated the Island Heights School Strategy session was great. The Borough will continue to work on contract negotiations with the Fire and EMS. As for improvements, Sassafras water service is complete and the water is no longer brown, and paving will commence soon. The 2020 Grant will address additional streets, and we anticipate an award for Simpson bulkhead in the near future.

Mr. Gabriel: The water project is moving along, with services on Maple next. The site has been kept neat and services are forthcoming- clean water is coming soon. As for pickleball, this project will commence again shortly. Public Works started the summer hours of 7am-3pm

Ms. Thompson: Thanked Gary for his work on Code Enforcement matters; adding that Sean Asay was a great addition for Code Enforcement; and praise for DPW, who have also done an excellent job in town addressing a wastewater problem.

Mr. Weber: Sunday the 26 was a great service, and thanked the Firemen for their service. Mr. Weber also thanked them for allowing him to ride in the firetruck.

Mayor Doyle also mentioned that the agreements with the EMS and Fire are near being sent for attorney review. As you can see, with the many activities and projects ongoing. Water on Sassafras is done; agreements to pave Sassafras will be done via schedule C, 2019 streets are being paid attention too; the Simpson Avenue project will be awarded; the County has been out on River Avenue to fix the flooding problem. We had a great strategy session with the school, and afterwards I play chess with all of the kids. I played doubles, and one child won.

Motion to adjourn: Weber, Seconded by Gabriel, and full Council consent.

**DISCUSSION & PRIVILEGE OF THE FLOOR**

Bob McNeal, 237 Ocean Ave: Inquired if the Borough would be reimbursed due to the contractor using the incorrect paint, with regards to Resolution 2019-146.

Mayor Doyle stated there will be no reimbursement.

John Pendleton, 249 Ocean Ave: Inquired how many body armor is being purchased.

Mayor Doyle stated seven would be purchased, which includes a grant of \$30,000.

Bob McNeil, 237 Ocean Ave asked about the riprap on Park Avenue.

Deputy Municipal Clerk Asay stated the riprap will be removed since it prevents access, and they will place it back to the condition before Sandy. Steel lolly columns and a 4ft retaining wall will secure the ground.

**GOVERNING BODY REPORTS**

**Gabriel:** Progress. Let's go

**Pendleton:** The Flu Clinic will be on October 28th, from 5-7pm. It is free to County, State, and Medicare patients; \$20 for all others

**Snow:** The July 4th celebration was very successful, and thanked the First Responders and Nate for all of their work and help.

**Thompson:** Kudos to Councilmember Snow for her work on the website. The site is almost ready with user-friendly functions. The Tax Appeals are complete, with 18 total appeals, and a total valuation of \$9million in appeals. The Borough had great recent events, including the Garden Party, 4th of July, Brewfest, and upcoming events such as the JR Olympics at the Yacht Club, and a free concert at PETO Museum.

**Weber:** There was a State police presence in the Borough on July 3rd, but updated residents that there was no active threat. Only July 4th, there was a traffic accident at Monahans, and thanked the Police and First Responders for their work.

**Wudzki:** Thank you to Councilmember Thompson and Snow on their work on the website, and is excited to see the final product. She further thanked DPW for keeping the Municipal grounds clean and cut during the Farmer's Market, which are Tuesdays 2-6pm.

**Mayor Doyle** stated that an item of discussion is the Town-wide yard sale proposed for September 28th.

**Wudzki** stated that in the past the Yard Sale was the 3rd or 4th week in September. She further mentioned that members of the Cultural and Heritage Club are having a rededication event on the 21st, and requested that the yard sale be on the 28th.

**Mayor Doyle** stated that the Inspector will be inspecting all vendors at Sailfest, to ensure the safety of the residents.

**Councilmember Pendleton** had a question regarding a resident. Mayor Doyle requested she speaks with Gary Stocco after the meeting.

Official Council Meeting Minutes

August 13, 2019

The Regular Meeting of the Mayor and Council of the Borough of Island Heights is hereby called to order. Notice of this meeting was issued in accordance with the OPEN PUBLIC MEETINGS ACT P.L. 1975, Chapter 231 (Section 10:4-10). Notice of this meeting was advertised in the Asbury Park Press on December 27, 2018 and was also posted on the bulletin board in the Municipal Building.

## 2. PRESENTATIONS

Rosie Lenoff, Business Development Manager of Greenspot presented on behalf of the company, as part of the company's initiative to grow as a smart mobility provider. The company has been in business for five years, and are in six states. Their model focuses on car, bike, and scooter ride-share, in addition to electric charging stations. Their stations are dual level, providing a charge of 25 miles per hour. The station would be open 24/7, available to all electric vehicle owners of the general public.

Mayor Doyle asked for questions from the public.

Gary Stocco, Code Enforcement, asked about fees incurred by the municipality.

Mayor Doyle clarified with Ms. Lenoff, that the entire aspect is free to the Borough, and that the only charge would be for people to use the station, and charge their vehicle. There would be no cost for signage, install, maintenance, or any other aspect of this proposal. He further expressed his opinion that Wanamaker would not be the best location, and the Council would be looking at more options.

Ms. Lenoff stated that their company places aspects of negotiation in their contracts due to aspects that are more prevalent in large town. Mentions of ICEing, where non-electric cars will park and take the spaces of the electric charging station. Other aspects are signage, and related costs.

Council Member Thompson asked about the term of the contract, the market, and how the utility rate is determined:

Ms. Lenoff stated that the stations have a ten year life cycle, and have the ability to upgrade technology should it be necessary at some point in the future. Their market research believes that every town, large or small, should have access to electric charging stations. She further mentioned that they've done the research of the town, and understand that most are single-family homes. The rate is determined per minute or hour, and they work with the utility company to determine the cost.

Council Member Pendleton asked if they advertise their locations.

Ms. Lenoff stated they use smartphone apps which provide the location of the pumps.

 Council Member Discussion/Comments

Mayor Doyle asked for questions or comments from the public regarding the Consent Agenda.

John Lapiko, Lake Avenue, asked about drainage on Lake Avenue and inquired about the storm drain history. He believes the letter sent by the Borough requesting to replace the pipe that is considered on their property, would not be responded to by most of the public whom received

Sean Asay state that the Borough has no authority to intervene at these private properties. These drains can't be jetted due to their age and condition. The Borough Engineer stated this is private property, and not a Borough Right-of-Way.

Council Member Thompson stated she is fearful people won't "replace their culvert pipes as requested", and it appears that this drainage problem is instrumental to the Borough's road and drainage improvements. She further mentioned that the Borough Engineer should look into this as a possible easement.

**DISCUSSION & PRIVILEGE OF THE FLOOR**

Susan Swayne, Simpson Aven, asked about what type of remediation is being done at 54 Garden Avenue.

Mayor Doyle stated there is an abandoned koi pond that is breeding mosquitos that is being addressed due to the property owner going on vacation after notice.

## GOVERNING BODY REPORTS

**Thompson:** Council Member stated that people are not allowed to rent rooms in the Borough. Another topic was how our turtles and ducklings were handled by Public Works and the Police Department, and thanked all for intervening.

**Snow:** The Borough has a beautiful, user-friendly website. She thanked Bernadette Larkin for her work on the redesign and email migration. Ms. Snow further thanked the Mayor for the welcome letter, which touched nicely as the website introduction.

**Pendleton:** No report

**Gabriel:** The Pickleball rehabilitation is close to being complete; hopefully just a few more weeks.

**Mayor Doyle:** Mayor Doyle thanked Councilman Weber for accepting to be the new Police Department Liaison. The Pavilion is being painted, and more work on our municipal buildings are coming soon. Soon a new roof for here and the library. Road work will begin at Maple and Lake and continue to the highway; and paving Summit to Lake. The County will be assisting with paving on Central Ave, from the pavilion to the highway.

**DISCUSSION & PRIVILEGE OF THE FLOOR**

Mayor Doyle opened the floor to the public.

Seeing no other public comments, Councilman Gabriel motioned to Close the Public Comment; Seconded by Council Member Snow, and full Governing Body consent.

## **Council Member Reports:**

**Mr. Gabriel:** The Borough finally has pickleball courts. We've had probably 1,000 hours of discussion to get to this point. Tip of the hat to Bill Hummel and DPW for their work in lifting up the back corner of the Memorial Field Complex, and makes it a useful place.

Heavy weeding to remove strangle weed. Labor Day games, with Fire Co sponsoring. It was a great time.

**Ms. Pendleton:** No Planning Board report. Flu Clinic is coming up in October, with more information forthcoming. Thanked all involved in the Pickleball, especially John. They are very active on Monday, Wednesday, and Fridays. Sept 24th, a Ribbon Cutting to rededicate the Cottage Museum, and burn our mortgage. It will be from 11am - 3pm, and the Mayor is cutting the ribbon. The PETO Museum will be working with the Grade School Art Department to have their own art shows. It will be very exciting.

**Ms. Snow:** We are continuing to work on the website, with a few minor changes. Melissa and I are working on Halloween and Trunk or Treat with more information coming.

**Mayor Doyle:** The Pavilion has been painted. A new roof on the Borough Hall and Library. The Simpson Ave Bulkhead will start in a few weeks to addressing the flooding. The Mayor commended Gary Stocco for his work at Sailfest, in addition to Fire inspections for safety. Mayor Doyle stated Gary has added a nice dimension to the Town. NJ Monthly Magazine listed Island Heights as the number 2 town in State under 2,000, and number 37 overall of the top communities to live in.

**Ms. Thompson:** Thanked all DPW for their clean-up, in addition to the Rotary and Borough staff. In NJ Magazine Monthly, we've climbed up from the 60's to number 37 overall. There is a Pickleball Round Robin tournament this Saturday at 9am. The weeding is going well, and maybe a larger planting program that is less difficult to maintain is in order. Thank you to the IH Methodist Church for inviting Borough Employees for lunch in a few weeks to show their appreciation.

**Mr. Weber:** Echoed the Mayor's sentiment on Labor Day Races, and thanked Fire Co for their work. Sailfest was a safe event thanks to all our First Responders and Sheriff's Office. Service Agreements for Fire and EMS are signed, with performance based funding.

**Ms. Wudzki:** Thanked the School Administration for welcoming the kids on their visit to the Central Regional Middle School, especially Sue Cowdrick for setting up the tour for the kids. It's a big change for the kids, and former Island Heights kids come and help give the tour. Wished the outgoing Librarian well as she was promoted to the County library. The Farmers Market has been great, and the vendors requested the market be extended 2 more weeks. Announcement that November 11th is Veterans Day and Island Heights School will be having a morning event to

honor veterans and the public is welcome to attend. Veterans come into the classroom to answer the kids questions on the commitment our Veterans make to our country.

Discussion ensued stating that September 28th is the Town-wide garage sale.

**GOVERNING BODY REPORTS**

**WEBER:** The Police and Public Works Departments worked in coordination to address raccoons in the Borough on the 20/21st. One test of the animals came back with distemper. He thanked those involved.

**THOMPSON:** Stated the need to have conversations with your neighbors, as greater communication can prevent escalation in neighborly disputes. Additionally, JCP&L will be having a Career Advancement Day on November 6th and 13th at Brookdale Community College.

**GABRIEL:** The Public Works Department did a great job of the bridge replacement on West End and Lake Avenue.

**PENDLETON:** 105 Cedar Avenue is on the Planning Board agenda for a Variance to expand the structure to the rear of the property. This is a non-conforming structure, but in existence for 30 years. The requested additions are not changing this, and as such, was approved. 42 River application was referred to be heard again for a variance on the back of the lot, and this also is non-conforming.

**SNOW:** DPW did a wonderful job on the bridge. Thank you to Walter Church for his work. The Environmental Committee is part of the Sustainability hub with other participating municipalities throughout Ocean County. Additionally, Manchester will be hosting a Recycling Forum on September 25th at Town Hall to discuss the recycling situation in Ocean County.

**MAYOR DOYLE:** A lot of illegal dumping was reported at the Public Works facility, and are addressing this matter. Starting this Fall season, the DPW facility will be open on Saturday mornings for leaf dropoff. Additionally, the Borough is going through the permitting process to refurbish the beaches along Summit and Long Point. Lastly, the Borough Hall is anticipating more historical photos for Borough Hall and pictures graciously donated by the Volunteer Fire Department.

**Proclamation recognizing October 20-26  
as National Friends of Libraries Week**

Whereas, Friends of the Ocean County Library - Island Heights Branch raise money that enables our library to move from good to great -- providing the resources for additional programming, much needed equipment, support for children's summer reading, and special events throughout the year;

Whereas, the work of the Friends highlights on an on-going basis the fact that our library is the cornerstone of the community providing opportunities for all to engage in the joy of life-long learning and connect with the thoughts and ideas of others from ages past to the present;

Whereas, the Friends understand the critical importance of well funded libraries and advocate to ensure that our library gets the resources it needs to provide a wide variety of services to all ages including access to print and electronic materials, along with expert assistance in research, readers' advisory, and children's services;

Whereas, the Friends' gift of their time and commitment to the library sets an example for all in how voluntarist leads to positive civic engagement and the betterment of our community;

Now, therefore, be it resolved that Mayor Steven Doyle proclaims October 20-26, 2019, as Friends of Libraries week in Island Heights, NJ and urges everyone to join the Friends of the Library and thank them for all they do to make our library and community so much better.

E. Steven Doyle, Mayor

## RESOLUTIONS (CONSENT AGENDA)

Resolution 2019-204 Appointing Penny Hagan as Municipal Deputy Registrar in the Borough of Island Heights  
Motion: Thompson  
Second: Pendleton  
Council Member Discussion/Comments  
Mayor Doyle stated there is no additional compensation in this role.

Resolution 2019- 205 Resolution Determining the Form and Other Details of \$2,851,000 of General Obligation Bonds, Series 2019, Consisting of \$371,000 General Improvement Bonds and \$2,480,000 Water-Sewer Utility Bonds of the Borough of Island Heights, in the County of Ocean, New Jersey and Providing for Their Sale  
Motion: Thompson  
Second: Gabriel  
Council Member Discussion/Comments

Mayor Doyle stated the debt from 2001 (\$371,000), and takes a 25-year water-sewer bond and decreases its debt schedule, placing it into a ten-year term with a set payoff. As we look at our debt schedule, we've decreased our debt each year, with one of the lowest debt ratios under statute.

Resolution 2019-206 Resolution Providing for the Combination of Certain Issues of General Obligation Bonds or Notes of the Borough of Island Heights, in the County of Ocean, New Jersey, into a Single Issue of General Obligation Bonds, Series 2019, in the Aggregate Principal Amount of \$2,851,000. Consisting of \$371,000 General Improvement Bonds and \$2,480,000 Water-Sewer Utility Bonds

Resolution 2019-208 Resolution approving the hiring of Eric Johnson as a Full Time Laborer (DPW) at an hourly rate of \$17.50 with a start date of 11/9/19.  
Motion: Gabriel  
Second: Snow  
Council Member Discussion/Comments

Mayor Doyle asked if anyone in the audience had any questions in the audience as part of the Public Comment.

Bob McNeil, 237 Ocean Ave, asked if these water-sewer bonds were in addition to the tower, and if the \$89 still continues?

Mayor Doyle answered yes. Everything not currently bonded-for, this cleans up all the business. He noted that Island Heights' rates are lower on water than Toms River, within \$1, and slightly higher on sewer than Toms River. The \$89 still continues. By stretching it out, pending the interest rate and see where we are.

Seeing no other questions or comments, Mayor Doyle motioned to close the Public Comment

**APPROVAL OF BILL LIST & PROCUREMENTS**

Resolution 2019-209 Approving the Bill List

Motion: Thompson

Second: Pendleton

Council Member Discussion/Comments

The Borough Clerk stated the October 8th Council minutes may be approved the Mayor and Council so choose. The Mayor stated the minutes were reviewed and correct as written. He further requested a motion for a vote.

**DISCUSSION & PRIVILEGE OF THE FLOOR**

Linda Grinfeld, 21 Lake Ave, stated Penny is sweet and a pleasure to have as a new employee; kudos on the bridge and Triangle Park; sheds look fabulous; and stated her preference for a September Yard Sale and not a June Yard Sale.

Bob McNeil, 237 Ocean Ave, mentioned the June Yard Sale started due to Superstorm Sandy, to shed some light on its reasoning. It provided an opportunity to help homeowners. He also mentioned vandalism at the pickleball courts

Mayor Doyle stated he will expedite cameras for down there.

**GOVERNING BODY REPORTS**

Councilman Gabriel agreed that they will expedite the camera installation at the pickleball courts. He stated that its great to have Eric as a new hire, he has a CDL license which is very beneficial. He further noted that the CWA contract is progressing but not memorialized as a 5 year contract yet.

Council Member Pendleton reminder all in attendance that Monday is the Flu Clinic from 5-7pm. The Rabies Clinic will be on January 11th from 11am to Noon. She further noted that there is a pending subdivision application that will be heard at the Land Use Board on the 17th.

Council Member Snow stated that it is great to have Eric on-board, and thanked John in DPW for the Recreation shed. She thanked Mayor Doyle and Council President Thompson for assisting in reaching a compromise with the Green Team on establishing 3 sunscreen lotion dispensers, which refills will be paid by the Green Team. The locations will be at the DPW, pickleball, and community garden. Additionally, she encouraged people to go and vote for the Island Heights' video on the Sustainable Jersey website, a wonderfully created video by the Island Heights Green Team, completed with the help of Peter Slack. Finally, she encouraged residents having recycling problems at the Recycling Center, to bring problems to Borough Hall first.

Council Member Thompson thanked the Tax Assessor for providing new information and resources on the site, making the information more transparent. There's a new web form for residents to contact the Borough through the website. She further gave kudos for the Round Robin Pickleball tournament.

Mayor Doyle stated the work along Simpson Avenue is concluding, and all bulkhead work is complete; next is the slew slay. Then fix street and sidewalk coming up next. The Sewer Authority will be digging up River Ave pipe for replacement. Then in the Spring, the County will repave River Avenue. There is a NJDOT grant for next year to address Lake Avenue. We anticipate having a flagpole installed at Triangle Park, and plan to place a NJDEP application to refurbish all beaches in the Borough. Mayor Doyle stated the Borough is very grateful for all employees, and our DPW and Police Department.

**8. GOVERNING BODY REPORTS**

Mr. Weber reported that while he was recently traveling the Police Department came by and checked on his property. He said that this service is available to any resident if you just stop by headquarters and let the police know when you will be away they will check on your property.

Ms. Thompson reported that she attended the Veterans Day celebration at the Elementary School. She offered congratulations to all of the successful candidates in the recent Municipal and School Board Elections. She expressed her support for the Quality of Life Task Force just created. She said that transient (short term) property rentals can be complicated to regulate but that the task force will be exploring our options.

Ms. Snow reported that tickets are still available for the Spaghetti Dinner put on by the 6<sup>th</sup> grade at the Elementary School. She announced that the Borough Christmas Tree Lighting will be on the evening of December 1<sup>st</sup>. She handed out new reusable tote bags from the County and announced that April 14, 2020 is designated national recycling day.

Ms. Pendleton reported that the Borough Flu Shot Clinic was a success. She thanked the Mayor and Council for approving the creation of the Quality of Life Task Force and she reminded all of the next Planning Board Meeting that will take place on November 14<sup>th</sup>.

Mr. Gabriel reported that a new full time employee (Eric Johnson) had started at DPW and that the Maple Ave. Water Project and OCUA River Ave. Projects will be continuing for several months.

The Mayor reported that he conducted a "Town Hall" meeting with residents at the Peto Museum on November 1<sup>st</sup>. He encouraged all residents to talk to your neighbors and solve problems locally and look out for each other. He said that great work had been done in the Borough this year and he thanked all of the Borough Employees and Elected Officials.

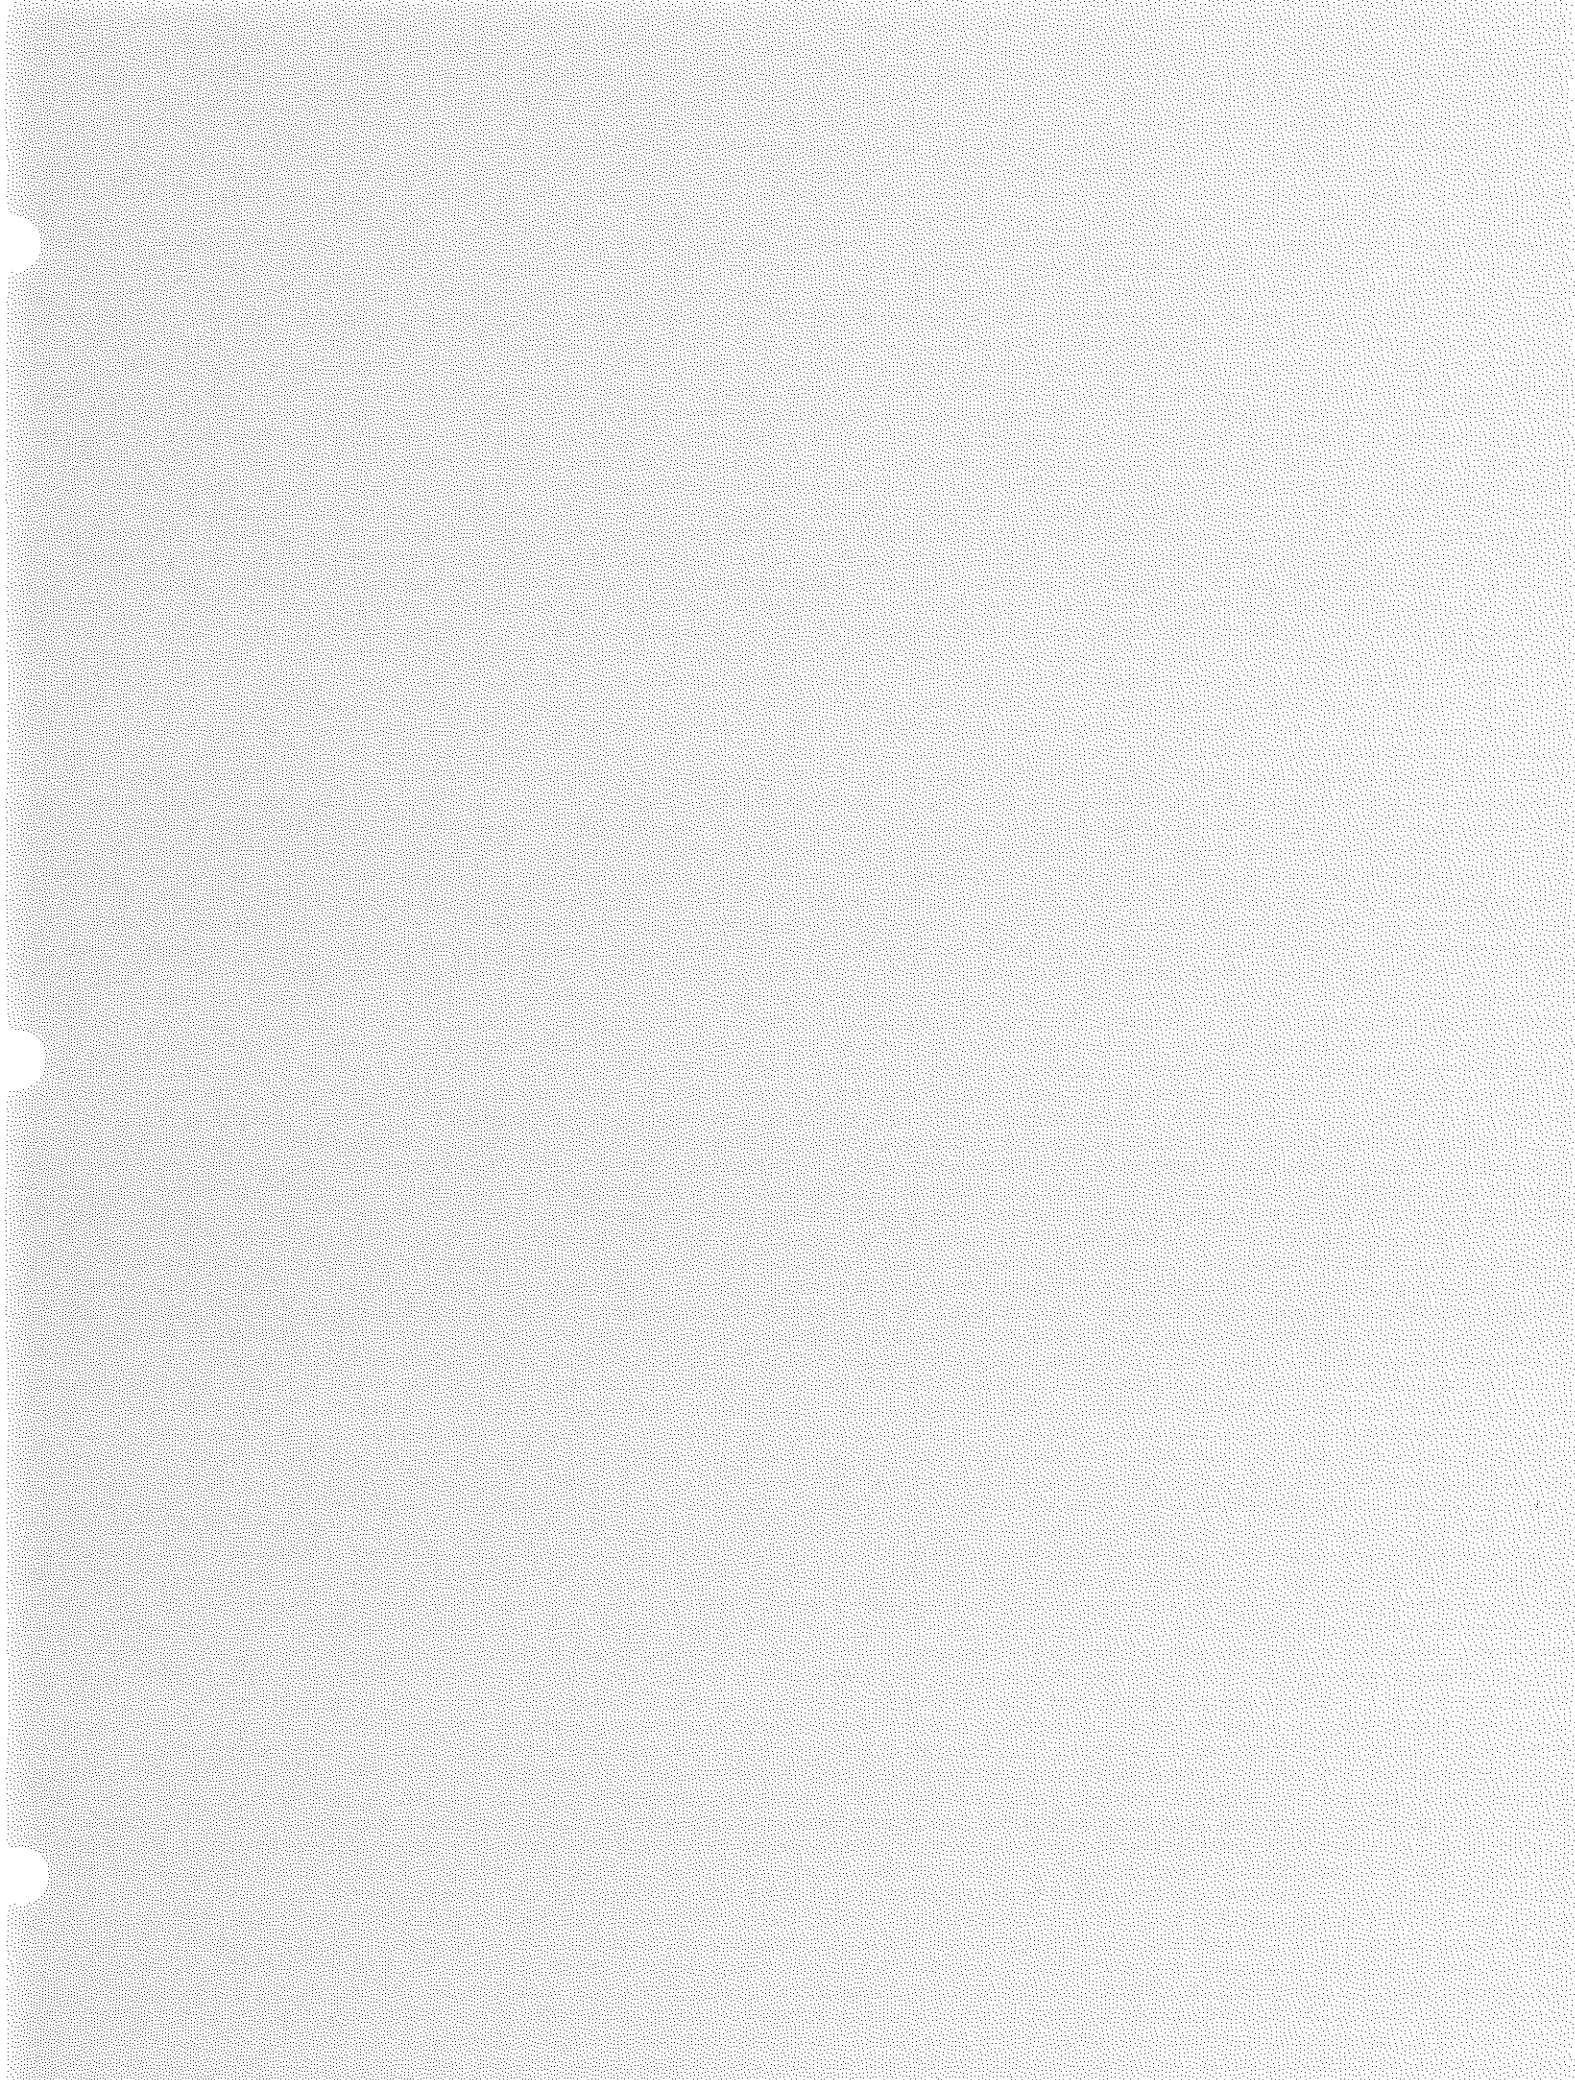

9. A motion was made to Adjourn the meeting by Mr. Gabriel with a second by Mr. Weber:

**BOROUGH OF ISLAND HEIGHTS  
MINUTES OF MAYOR AND COUNCIL  
REGULAR MEETING  
DECEMBER 3, 2019**

Mayor Doyle called to order the Regular Meeting of the Mayor and Council of the Borough of Island Heights. Notice of this meeting was issued in accordance with the OPEN PUBLIC MEETINGS ACT P.L. 1975, Chapter 231 (Section 10:4-10). Notice of this meeting was advertised in the Asbury Park Press on December 27, 2018 and was also posted on the bulletin board in the Municipal Building.

Pledge to the Flag of the United States of America

Mayor Doyle asked for a moment of silence to recognize Cathy Reynolds, a 92 year old resident, and longtime resident of Island Heights.

**ROLL CALL OF MAYOR AND COUNCIL MEMBERS**

Present:

Mayor Doyle	
Mr. Gabriel	Council President Thompson
Ms. Pendleton	Mr. Weber
Ms. Wudzki	Counsel: Barry Stieber

Not Present:

Ms. Snow

Mayor Doyle thanked all the council members who served this year. These people served the town, gave back to the Borough. There's a lot that goes beyond the scenes. He thanked Borough Administrative Staff, Sean and Joe. The Public Works Department did a great job, and have been very busy keeping up with the demands in the Borough. The Mayor also recognized the Police Department for their work in keeping us all safe.

Mayor Doyle reported that our Administrative Offices are open 5 days a week with a run rate of \$30,000 annual savings from 2018. The Municipal tax rate dropped 2 cents this year. The water tower was cleaned and water service upgrades were completed on Maple Ave. The water main on Sassafras Lane was replaced. Recreation facilities have been upgraded; Pickleball is up and running along with handicapped access to playground area.

Beach Replenishment for Wanamaker Beach (Summit Ave.) is planned for 2020. The County will be working on River Ave in 2020 to improve the flooding situation. We have work that will take place on West End and Lake Ave to improve drainage and apply new asphalt. Paving is now completed on Maple and the River/Simpson connection will be completed before winter. We received a NJDOT grant for \$175,000 for repair and paving of Camp Walk and Highland Bend during 2021.

The roof was replaced at the Borough Hall and the Library. A New Police (PBA) Contract was negotiated through 2023. A new video camera system is being installed in the OEM/Police Building. New tough books have been ordered for the Police Department and they will be installed in the vehicles shortly. We no longer have an unmarked police car in town all vehicles are now marked.

The CWA contract (DPW) is completed through 2023, and all employees seem to be happy with their contracts. The Borough DPW Building has new a new camera system to prevent illegal dumping. We have addressed the issues with our Municipal Court and their facilities concerns.

We worked with our First Aid Squad and Fire Department to establish service agreements and provide them with stable long term funding. We addressed health insurance costs for our employees and retirees by making structural changes to our health insurance program that will improve service delivery and provide taxpayer savings in the decades ahead. We are converting our water plant chlorine system from tablets to liquid chlorine to improve the consistency of chlorine distribution in our system and save money on the purchase and delivery of chlorine. We have made a number of improvements to our sanitary system and new lift stations will be installed at several locations over the next 18 months.

We have addressed the long term debt of the town. We sold long term bonds to put the Borough on a path to paying off our debt, some of which dates back to 2001. We sold at an interest rate of 2.7%, following a great rating call and bond rating from Moodys. Our Code Enforcement Office has been active, and we are thankful for what Gary Stocco does for the town, as well as our Fire Inspector, Bill Richert, making sure everyone is safe.

Our Tax Assessor found properties in town that were not properly taxed, added several new properties onto the tax rolls. Our new Borough Website is up and running with major revisions and improvements, including the ability to pay taxes and utility charges with a credit or debit card. We negotiated a new long term lease with the Postal Service with a significant increase in rent being paid to the Borough. We have enhanced our shared services with other towns for services including Tax Collector, Registrar and Municipal Clerk. We completed the codification of our ordinances back to 2014 and they are all available on our new website.

We purchased a new utility truck for DPW with a 20 year life cycle. A new police vehicle will be ordered in January and we will be selling the Durango that was recently retired from duty. We have a Boardwalk replacement project scheduled for the spring. We created several picnic areas in town with new tables and we decorated our new bridge over Dillons Creek for the holidays. In 2020, we are planning to restore the public waterway access at the Park Avenue termination with funding being provided by a generous resident.

We have a new large flag that flies at the Wanamaker Complex on holidays. We have installed dog waste stations, sun screen stations and we will begin a planting and beautification project around our water tower in the spring. Our entrance to the town has been dramatically renovated with the addition of the new Bridge across Dillons Creek. The clock installed in our Borough Hall Tower in honor of Mayor Siddons will soon be right more than twice a day thanks to the Rotary and DPW employees. The Borough was recognized as a top 12 shore town, and number 2 in the State of NJ for population under 2,000. We have big projects ahead in the new year. We want the gazebo back at Wanamaker; work is upcoming on the beach at Summit Avenue, and we will keep our taxes down by efficiently deploying capital. It's amazing how you can find money for projects in the town by doing so. Additional recreational projects include courts for horseshoes and bocce ball. Our Elementary School is fantastic and is rated second in the County in academics. I'm 25% done with my term and would like to thank the residents of the town who are here with us tonight and willing to listen to what goes on in our town.

Mayor Doyle asked the Rotary Club President and Club Secretary to address the residents.

The Rotary presented a donation check to the First Aid Squad in the amount of \$1,500 as they stand on-duty all day at Sailfest. They also presented a donation check to our Volunteer Fire Company in the amount of \$1,000. They further mentioned that this was the first year in which they sponsored the Elementary School Robotics Team as they learn and prepare for upcoming competitions.

## **DISCUSSION & PRIVILEGE OF THE FLOOR**

Mayor Doyle informed those in attendance of a letter received from the NJ Department of Transportation notifying the Borough of a 2020 Municipal Aid Grant in the amount of \$175,000.00 for Highland Ave and Camp Walk repairs and paving. Mayor Doyle further reminded residents of the upcoming Borough's Free Rabies Clinic to be held on Saturday, January 11, 2020 at Public Works - Cat and Dog Licenses will be sold on site for 2020

Seeing no further announcements, Mayor Doyle opened Privilege of the Floor to the public.

Council Member Pendleton stated a concern over the road work and construction on River Avenue. It is closed during the Island Heights Christmas Hour Tour.

Mayor Doyle stated that he will ask Council President Thompson to speak with the Police for access.

Seeing no other questions or comments, Mayor Doyle asked to close Public Comment

Motion: Weber  
Second: Wudzki  
Full Council consent

## **GOVERNING BODY REPORTS**

**PENDLETON:** proposed a community service project to be planned for late Spring/summer to paint and stencil the concrete street signs that are hard to read. Maybe open it up to an Eagle Scout project or high school. The Borough would provide the paint, and we have all the stencils.

The Mayor asked for a motion to establish a committee to manage the project

Motion: Pendleton  
Second: Gabriel  
Full Council consent

Council Member Pendleton also mentioned to have the recycle and dump open on the weekends at the request of residents.

Councilman Gabriel stated that this is now open on the weekends.

**WEBER:** on December 22nd, Santa will be visiting, and escorted by the Fire Department. December 7th, the Ladies Auxiliary will be selling wreaths and grave blankets at the Fire House. Also on the 7th, the PBA Local 352 having a toy drive at the Police Department from 5-7pm. They will also have a bonfire, letters to Santa and cookies.

**THOMPSON:** Thanks to Santa for braving the rain during the tree lighting. The Council Liaison lists will be going out.

**WUDZKI:** Thank you to all the entities that came out for Trunk-or-Treat. It was a great addition and shaped up nicely. It was a school and town event, with kids of all ages. Also thanks to the Rotary for their involvement in the Robotics, it's been a great addition to the school.

**GABRIEL:** Public Works continue to do a great job. The new employee is working out great. The yard debris pile as quickly as it goes down, goes back up each week. We are catching up down there. We will need to look at part-timers soon, as we are losing them again soon. We hope to have a future plan of having someone down at DPW on Saturdays to monitor the dumping and recycling. I hope everyone has a Merry Christmas.

Mayor Doyle recognized Sandra Snow for her two Council terms. To do two terms is above and beyond. She is a lifelong resident, born and raised here. She oversaw the Borough's website; was instrumental in implementing the Borough's recycling effort, and a valuable liaison in archiving the Borough records. We are very appreciative of her and her two terms and we will miss her. With that, I wish all a Merry Christmas and Happy Hanukkah.

Motion to Adjourn: Pendleton, Seconded by Weber, and Council consent.
