

# Island Heights Cultural & Heritage

2025 Speaker Series

Monday, May 19th

## ‘Hunting History’

Genealogy: the study of one's family history and tracing lineages using records and family histories. James Calaski will instruct us in how to trace your family history and build your family tree. After 30+ years of investigative work, Jim will share with us the unique techniques he has developed on how to perfect your investigation.

7 pm Ocean County Artist Guild ~ 22 Chestnut Street, Island Heights
