

Oil Painting: Indirect Method with Michelle Dillon

6 weeks, beginning in January

Mondays

6:00 – 8:30 PM

1/19/2026

1/26/2026

2/2/2026

2/23/2026

3/2/2026

3/23/2026

Maximum 7 Students

Level: Beginner and Beyond

High School Seniors to Adult

Explore the process of Indirect Oil Painting which will include developing a working knowledge of materials, techniques and design fundamentals. Specifically, we will start with a monochromatic underpainting and progress to using color glazes which give the painting a more luminescent appearance.

Included will be working with a grid, rendering form through contrast, using “artistic license” for personal expression and the use of paints and mediums which allow for quick drying times compared to traditional methods of oil painting.
